STEVE STRUBLE, P.E. Engineer

RANDY CLOYD, Technician

RON BELL, Assistant

KATHY LUNDERGARD, Office Manager

RE: DUST CONTROL PERMITS

Harrison County Road Department keeps a Dust Control Permit on file for each location where dust control has been applied. This allows for proper preparation and maintenance of the treated area. The annual permit fee is \$25.00 and is included in the contractor fee.

Jerico Services/Husker Chem Sales from Weeping Water, NE and Heffron Services from Van Meter, IA are approved contractors used by Harrison County for Calcium Chloride or Magnesium Chloride application.

The County does not endorse any specific supplier. However, any material applied for dust control must have prior approval from this office. You should contact the supplier directly to arrange for treatment of the permitted area. The telephone number for Husker Chem is 800-422-4820. The telephone number for Heffron Services is 515-321-5033. The cost of the dust control application is between you and the contractor.

Sincerely,

HARRISON COUNTY ENGINEER

Steven Struble, P.E.

GOT DUST?
(GET DUSTGARD.)

Keep your roads safer, the air clearer and your equipment and cars in better working condition with **MAGNESIUM CHLORIDE** dust control from Heffron Services. Just review and complete the application below.

- **APPLICATIONS MUST BE RECEIVED IN OUR OFFICE BY MAY 1st.** Late applications will not be accepted.
- Applicant agrees to maintain flags to mark outer limits of the area to be treated. **Flags must be in place MAY 1st until October 15th** for the County and our drivers. Failure to do this could result in the area being bladed. Neither the County nor Heffron Services assume any liability if your flags are not in place. If area is not marked, drivers will use their judgment for location.
- Our trucks are equipped with computer equipment that allows us to spray the exact amount of footage ordered. If your flags are set longer than the footage paid for, your dust control will not reach both flags. If your flags are set shorter than the footage paid for, your dust control will extend past your flags.
- The county reserves the right to blade the treated area to maintain the public safety or in the event of rain. Your road will be bladed after October 1st in preparation for winter.
- Heffron Services, Inc. does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns.
- Please include payment with this application. We will not cash your check until the first application is applied.
