Section 1. PURPOSE

The purpose of this ordinance is to classify certain roads on the area service system in the county as Area Service "C" roads so as to provide for a reduced level of maintenance effort and restricted access, pursuant to Iowa Code Section 309.57 as amended by House File 419 (1996).

Section 2. DEFINITIONS

For the use in this ordinance, certain terms or words used herein shall be defined as follows:

- A. Board: shall mean the Board of Supervisors of Harrison County.
- B. County: shall mean Harrison County.
- C. County Engineer: shall mean the County Engineer of Harrison County.

Section 3. HOW ESTABLISHED

The resolution shall specify the level of maintenance effort and the persons who will have access rights to the road. The resolution shall only allow access to the road to the owner, lessee, or person in lawful possession, to the agent or employee of the owner, lessee, or person in lawful possession, to public employee whose duty it is to supervise the use or perform maintenance of the road.
- B. NOTICE OF ACTION: Before the Board may take action on a petition to establish an Area Service "C" road, a notice of the proposed action including the location of the Area Service "C" road and the time and place of the meeting at which the Board proposes to take action on the petition, shall be published as provided in Iowa Code Section 331.305 (1995).

- C. **BOARD ACTION:** At the meeting, the Board shall receive oral or written objections from any resident or property owner of the county. After all objections have been received and considered, the Board, at that meeting or a date to which it is adjourned, may take action on the petition after consultation with the County Engineer.

Section 4. **ACCESS**

Access to any Area Service "C" roads shall be restricted by means of a gate or other barrier, as determined by the County Engineer. The gate shall be purchased by the County, and installed and maintained by the adjoining landowners. If not so maintained, the County may remove the gate and reestablish the roadway as Level "B".

Section 5. **SIGNS**

Area Service "C" roads shall have signs conforming to the Iowa State Sign Manual installed and maintained by the County at all access points to Area Service "C" roads from other public roads, to warn the public they are entering a section of road which has a lesser level of maintenance effort than other public roads, and to warn the public that access is limited.

Section 6. **TRESPASS**

Entering an Area Service "C" road without justification after being notified or requested to abstain from entering or to remove or vacate the road by any person lawfully allowed access shall be a trespass as defined in Section 716.7 of the Code of Iowa (1995).

Section 7. **RECLASSIFICATION**

A road with an Area Service "C" classification shall retain the classification until such time as a petition for reclassification is submitted to the Board or as otherwise noted in this ordinance. The petition shall be signed by one or more adjoining landowners. The Board shall approve or deny the request for reclassification within 60 days of receipt of the petition.

Section 8. **POWERS OF THE BOARD**

All jurisdiction and control over Area Service "C" roads shall rest with the Board, pursuant to the Iowa Code Section 309.67 (1995).

Section 9. **EXEMPTION FROM LIABILITY**

As provided in Iowa Code Section 309.57 (1995), the County and officers, agents and employees of the County are not liable for injury to any person or for damage to any vehicle or equipment which occurs proximately as a result of the maintenance of road which is classified as Area Service "C", if the road has been maintained to the level of maintenance effort described in the establishing resolution.

Section 10. **REPEALER**
