

**THERE IS A REASON WE ARE FREE.**

The reason we are free is because of those service men and women who stood up for us. When the country needed them, they sacrificed the dreams and hopes that they had been building here at home, picked up their guns, and stood for what they believed. They fought for you, me, people they had never met, and they fought for America. Those men and women had the flag beside them as a comfort, as a promise, as a symbol of why they were risking everything to fight for freedom. Our mission is to honor our veterans and let them know the community has not forgotten them and never will.

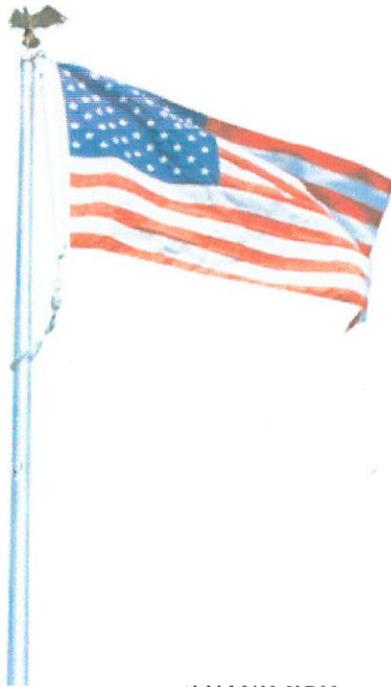

Because of this, they are heroes.

**THEY ARE THE REASON YOU CAN  
VOTE.**

**THEY ARE THE REASON YOU CAN  
SPEAK YOUR MIND.**

**THEY ARE THE REASON  
YOU ARE FREE.**

**NOW YOU CAN  
THANK THEM.**

**I THANK YOU**

We would like to thank you for your consideration, donation and support. With your support we will install flagpoles with a retaining wall and bedrock into the yard of a veteran. We believe that accomplishing our goals will strengthen our community and our great nation. One hundred percent of your tax-free donation will go directly towards, purchasing materials for our men and woman who have risked everything for our country. Please make checks payable to Lest We Forget.

Thank you for your donation

❁ LEST WE FORGET ❁

Lest we Forget was created because we feel that veterans have not been shown enough respect and appreciation for what they have done. Our goal is to install American flags in the yard of men and women who fought for our country.
